	MEMORANDUM FOR:	Office of General Counsel	
	SUBJECT:	"Two Years Continuous Service Abroad"	25X1A
		Continuous Service Abroad"	
	l. In May	1953 your office rendered a	n interpretation of
the above regulation. The final para			read as follows:
	"In arriving at what constitutes a reasonable time, it is necessary to look to some norm or standard. Such a standard is found in the definition of "continuous service" as applicable to the regulations promulgated by the Civil Service Commission. There it is stated that continuous service means an active duty status but may include not more than one break in service of less than 30 calendar days. Therefore, it would seem that leave without pay of less than 30 calendar days would		
	not constit	ute a break in the continuicould be considered a reason	ty of service
25X1A	departed for her overseas assignment in September 1952. She has been in a LWOP status on emergency leave in the ZI for the following periods:		
25X1A		6 December 1952 - 5 Janua 10 May 1953 - 28 June 195	ary 1953 3
	3. The field has inquired if the above quoted paragraph should be interpreted to mean that will have to start her two year tour again effective 28 June 1953.		
	4. We would	d appreciate your interpreta	ation in this particular
